

## NMC-P Series Soft Terminal MLCCs

**Delivery time at the moment only 24 weeks!**

### NMC-P series Soft Terminal MLCCs / COTS grade

Multiple expanded products have been added to the NMC-P series

- **NPO cap.: 0,1pF to 0,22µF**
- **X7R cap.: 100pF to 10µF**
- **X5R cap.: 33,000pF to 10µF**
  - **0402 to 2225 case size**
  - **>1000 New part numbers added (17 pages of waterfall tables) look at the DATASHEET on [www.wts-electronic.de](http://www.wts-electronic.de)**
  - **Voltage ratings up to 5000VDC**

**Applications:**

- High Power
- High Voltage
- High Reliability
- High Vibration or Shock
- Harsh Environments
- Molded or potted assemblies
- Mission Critical Enterprise Level Systems

**NMC – AP Automotiv Grade Soft Termination**

case size 0603 to 1210;  
TCC X7R;  
Voltage 6,3Vdc to 250Vdc;  
cap.: 1000pF to 10µF

**NMC – A Automotiv Grade**

case size 0102 to 1812;  
TCC NPO, X7R;  
Voltage 6,3Vdc to 250Vdc;  
Cap.0,1pF to 10µF
